# INTRO

Graphiste de formation et amoureux de la nature, je ne sais toujours pas si je vais en montagne pour faire des photos ou si je fais des photos pour être en montagne. Voici une sélection d'images capturées lors de mes différentes sorties en montagne.

Chaque tirage *Fine Art* est produit en édition limitée à 50 exemplaires (tous formats confondus, du A6 au A0) et est imprimé par WhiteWall sur papier « Epson Traditional Photo Paper » 300 g/m<sup>2</sup> ou sur « Epson Fine Art Cotton Textured Bright » 300 g/m<sup>2</sup>.
